### Water Line Project

Per Public Works Director Aaron Ramos, water grant project #34 seems to be coming along good as the Special Projects Crew and Water Department continue working

together to complete it. Phase 1, which covers the area around the Parkview Road, was completed at the end of August. The crews have begun Phase 2, which covers the Gonzalez Loop area.

### Back to School Winners

All city employees had the opportunity to enter a drawing which provided school supplies to the children of 5 City of Fort Stockton employees who have children ranging from Pre-K to High School. The City of Fort Stockton would like to express gratitude to the anonymous contributors who assisted in making this

event successful. It was a team effort, which required no use of City funds. The lucky winners were: Sara Mata, Alma Gardea, Paula Ureste, Leslea Fierro, and Ruby Bernal.

- Mayor Pro-Tem: Billy Jackson*
