

Question:

Are hard copies of the plans available from the City of Fort Stockton?

Answer:

An 11x17 set of hard copies of the plans (only) can be obtained in person at the City of Fort Stockton for a charge of \$65.40 to those interested and who are registered as a Plan Holder for this project on CivCast.

Hard copies of plans will NOT be released to those who are not registered as a Plan Holder for this project on CivCast.

Hard copies of plans must be picked up at the City in person and will not be mailed.

Registered plan holders are not required to obtain the hard copy plans from the City and may elect to print their own set of plans by downloading and printing the pdf from CivCast.

Hard copies of the specifications/contract documents/bid documents will not be provided by the City; the pdf of the specifications/contract documents/bid documents should be downloaded and printed from CivCast.
