“REVERSE - OSMOSIS PLANT MAINTENANCE SERVICES”

In furthering our goal to preserve and protect the community and surrounding area’s fresh water resources, the City of Fort Stockton seeks to engage a qualified service contractor to assist in the maintenance of the City’s Reverse - Osmosis Water Treatment Facility.

Therefore it is in the best interest of the City of Fort Stockton to obtain the services of the highest qualified service provider to assist in providing the City with a **maintenance and treatment program specifically designed for treating the City’s raw water through the process of creating clean drinking water**.

Professional services will be evaluated only on the quality and experience of the company and its personnel.

The City Council reserves the right to accept the statement which, in its judgment is from the most responsible firm; to reject any or all statements; and to waive irregularities or informalities in any statement submitted.

The City of Fort Stockton is an Affirmative Action/Equal Opportunity Employer.

By order of the City Council at a Regular Meeting held on the 27th day of November, 2019.

Delma A. Gonzalez, City Secretary
