“Emergency Repairs to Paddlewheel Aerator Unit at City Wastewater Plant”

In furthering our goal to continue to provide essential wastewater collection and treatment services to the citizens of the City of Fort Stockton, the City is seeking to receive proposals from a professional qualified wastewater equipment maintenance and repair contractor for providing all the necessary tasks, including evaluating, repairing, and completing repairs to the broken paddlewheel in the oxidation ditch at the City’s Wastewater Treatment Plant.

Therefore, it is in the best interest of the City of Fort Stockton to obtain the services of the highest qualified service provider to assist in providing the City with **all the necessary tasks, including materials and labor, for repairing gearbox, bearings, and other essential components of the paddlewheel aerator unit structure in the oxidation ditch at the City’s Wastewater Treatment Plant.**

Professional services will be evaluated only on the quality and experience of the company and its personnel.

The City Council reserves the right to accept the statement which, in its judgement is from the most responsible firm; to reject any or all statements; and to waive irregularities or informalities in any statement submitted.

The City of Fort Stockton is an Affirmative Action/Equal Opportunity Employer.

By order of the City Council at a Regular Meeting held on the 9th day of June 2020

Marina Cantu, City Secretary
